"Good information some of which I had not considered. Gave good frame work for how to supervise. Very experienced and credible instructors."

Sgt. Paul Barnes, St. Louis Park PD

"Outstanding course! I look forward to putting what was learned to use. Great presentation, speakers. Very applicable material and examples of implementation."

Sgt. Derek LaVoy, Crow Wing County SO

"The instructor provided real life experiences and took ownership for the "errors" he learned from in his past. He was well informed, engaging, and easy to listen to and learn from. I wish I took this class 2 years ago when I inherited the investigations division."
